University of Tehran- Aras International Campus

International Students Office

The second semester of 2022-2023

Master Degree Programs

Educational Group	Programs	Acceptance capacity
Management	Media management	15 applicant
	Human resource management - strategic management of human resources	15 applicant
	Technology management - technology innovation	15 applicant
	Business management - marketing	15 applicant
	Urban affairs management	15 applicant
	Business management - marketing	15 applicant
	Human resource management - international human resources	15 applicant
	Public administration - management of organizational behavior	15 applicant
	Public administration - Human resource development	15 applicant
	Human resource management - managing the performance and productivity of human resources	15 applicant
	Technology management - technology transfer	15 applicant
	Technology management - research and development policies	15 applicant
Physical Education and Sports Science	Sports physiology - applied sports physiology	15 applicant
	Sport psychology	15 applicant
Counseling and educational sciences	Counseling - family counseling	15 applicant
	Clinical Psychology	15 applicant
Accounting and financial engineering	Financial - financial engineering and risk management	15 applicant
	Accounting	15 applicant
	Financial - banking	15 applicant
	Finance - Insurance	15 applicant
	Economic Sciences - Economic Development and Planning	15 applicant
Foreign languages and literature	English language translation	15 applicant
	Teaching English	15 applicant
Law and Political Science	Private law	15 applicant
	Criminal Law and Criminology	15 applicant
	International Business law	15 applicant

The second semester of 2022-2023

Master Degree Programs

Architecture and art	Architectural engineering-architecture and energy	15 applicant
	Architectural Engineering - Architecture	15 applicant
	Illustration	15 applicant
	Industrial Design	15 applicant
Environment	Safety, health and environment	15 applicant
	Engineering in natural disasters	15 applicant
	Geography and urban planning - urban planning	15 applicant
	Environmental engineering - solid waste	15 applicant
	Environmental engineering - water and sewage	15 applicant
	Environmental design engineering	15 applicant
Medical engineering and biological sciences	Medical Information Technology Engineering	15 applicant
	Medical engineering - biomechanics	15 applicant
	Medical engineering - biomaterials	15 applicant
	Medical engineering - tissues	15 applicant
	Chemical engineering - biomedicine	15 applicant
	Technology microbiology	15 applicant
	Biotechnology - industry and environment	15 applicant
	Renewable energy engineering	15 applicant
	Energy systems engineering - Energy systems engineering	15 applicant
	Engineering of micro and nanoelectromechanical systems	15 applicant
Computer science	Information technology engineering - network systems	15 applicant
	Information technology engineering - multimedia systems	15 applicant
	Computer science - decision science and knowledge	15 applicant
	Information Technology	15 applicant
	Mechatronic engineering	15 applicant
	Network science and technology	15 applicant
Geography	Remote Sensing and Geographical Information System - Remote Sensing	15 applicant
	Remote Sensing and Geographical Information System - Information System	15 applicant
